**ENGLISH DEXWAY ACADEMY – LEVEL B1
– COURSE II**

2016

METODOLOGÍA DE LOS CURSOS

Cursos interactivos sobre materias especializadas en los que el alumno avanza de forma guiada bajo una concepción “learning by doing” (aprender haciendo). Nuestro método se apoya en la **participación del estudiante** en contextos que recrean la comunicación en situaciones del día a día, sistematizadas en un entorno de **aprendizaje** paulatino y flexible según el ritmo del alumno, quien asimila las nociones gramaticales, léxicas y fonéticas a través de la práctica.

English Dexway Academy - Level B1 - Course II

The course content remains functional and focused entirely on improving learner independence in all areas, especially in situations such as travel and accommodation, expressing oneself and responding to questions. In this course the learner will practice the narrative tenses (Past simple, Past continuous and Present perfect) and begin to practice re-telling personal experiences and stories from journeys or past events. As with the other levels on the course, there is frequent pronunciation practice and the learner has exposure to long and short sounds, correct regular past tense endings as well as general vocabulary and sentence level practice. The use of a variety of exercises encompasses different learner styles as well as guaranteeing thorough coverage of the topics covered.

OBJETIVOS

UNIT 1

Rock band

The student will listen to a series of questions which they can answer freely. In this lesson new vocabulary will be introduced. Once the lesson has finished, the student will then be able to have some practice with this same new vocabulary.

Potato salad - Reading comprehension

In this lesson students read and listen to a written passage of text that explains them how to prepare a potato salad and why it is a popular dish in the USA. After reading, students have to answer a series of questions that follow a sequential order and elicit students' skills on active reading. Readers are asked to peruse the passage for the general meaning, particular details and logical inferences. The suggested activities comprise multiple-choice and true/false questions as well as an exercise on finding the statement that best summarises the text as a whole. By practicing active and effective reading students acquire strong cognitive skills such as attention, auditory analysis, sound blending, sound segmenting, memory, processing speed and visualisation.
